Case No. 3:20-cv-0063-HRH

MOTION

to/for Motion to dismiss partial Summary
Judgement

I, Ryan Dalbec, representing myself without a
lawyer, move to/for Dismiss Motion for partial Summary Judgement
under the following statute(s)/rule(s) (if known) Federal Rule of Civil Procedure 12(b)
for the following reason(s): The evidence presented is not clear facts.
Project FA500079PA0116 Awarded Feb 28, 2019 for \$485,000 under Jurisdiction and Venue
Note 24 States I received quotes from Nash. I did not know nor have I meet Nash
before or at the time of award for that project therefore this statement is
untrue and not clear facts. Exhibit E Eselson F-35 Contract FA5004200003
No false claim

there was never a claim submitted since the contract was terminated for convenience
of the government and I was penalized \$16,296.80 in total damages in costs
to rebid that project. Exhibit D Contract FA500019 PA164 there was never
a claim submitted since the contract was also terminated for convenience of
the government. This project was cancelled because of covid-19 and no
penalty assessed. In conclusion there were no false claims submitted on behalf
of contracts FA500019 PA016, FA510042060005 or FA500019 PA164.
